Your Experience Level

- Beginner - Rider is new around horses, comfortable riding at a walk, still establishing balance and basic riding skills/aids*
- Intermediate - Comfortable at all gaits on a loose rein, has a working knowledge of horse behavior, herd dynamics, and movement*
- Advanced - Able to read subtle cues from the horse on the ground and under saddle, understands balance, impulsion, and feel as if it's second nature*
- Trainer - Has an advanced skill set plus several years of successfully teaching multiple types of green horses*

Wanted Horse Experience Level

- Beginner - Horse is calm and gentle, beginner / child could handle
- Intermediate - Horse can be reactive in rare instances, occasionally tests rider and/or acts up (i.e. bucking or spooking)
- Advanced - Horse can be spooky and/or unconfident; may continually test rider, act up, or have special needs
- Trainer Required: Horse is green or untrained/hot/very sensitive
